A Word of Welcome

Dear CAS Religious School Families:

On behalf of Rabbi Bloom, the CAS Board of Directors, and myself, I would like to welcome you to the 5778 CAS Religious School year!! For those of you I have not had the privilege of meeting yet, I am Cantor Shoshana Abrams Kaikov, your Cantor and Education Director at Congregation Ahavath Sholom. It has been a true honor and privilege to serve our Kehillah Kedosha (sacred community) for the past five years and I am thrilled to be embarking on a sixth year in this beautiful community.

The CAS Religious School is a fun, vibrant, and exciting place where our children come each week to learn, grow, and make beautiful Jewish memories that will last them a lifetime. Our faculty and I have worked very hard to create a nurturing and experiential Jewish educational program for our youth, and it is with great pride that we invite you all to join us for what promises to be yet another spectacular year ahead!

This year, each grade level will have the following schedule:

Pre-k through 8th grades will meet every Sunday from 9:30am-12:30pm

9th – 12th grades will meet several times each month on Sundays from 10:30am-12:30pm (dates are enclosed)

Enclosed in the Handbook materials, you will find a full calendar with all Religious School sessions noted for each grade level for your convenience as well as special family programs. I kindly suggest you keep the calendar posted on your refrigerator as a reminder for your family of important dates.

We highly encourage your involvement and commitment to our religious school. Enclosed, please find the religious school vision and educational philosophy, guidelines for students and parents, drop-off and dismissal procedure, religious school schedule and calendar, special events, Shabbat attendance requirements, Immunization Requirements, parent-volunteer sign-up sheet, and curriculum outline by grade.

Should you ever have any questions or concerns, I am always available to speak with you. Feel free to reach me at (817)731-4721 x113, via email at cantor.abrams@ahavathsholom.org, or by stopping by my office.

I wish you and all your loved ones a sweet new year filled with health, happiness, and success in all that you do!

Our Vision of Jewish Education at Congregation Ahavath Sholom

At the dynamic CAS religious school, we strive to offer experiential, nurturing, hands-on, exciting, rich, and vibrant Jewish learning that will inspire our students for a lifetime. Our faculty of energetic and passionate educators is committed to providing our students with a world-class Jewish education by means of a cutting-edge curriculum that creatively and rigorously equips our students for meaningful Jewish journeys.

Students graduating from our CAS Religious School will be equipped with many tools that will serve them as Jewish adults. A number of goals/objectives for our exciting religious school program are:

- to create a warm, inviting, and inclusive *Kehillah Kedoshah* (sacred community) within the larger context of CAS that welcomes in every Jew from diverse walks of life
- to educate our children in the customs, practices, and rituals of Judaism in order to enable them to make it relevant in their daily lives, and instilling within them and their families a lifelong commitment to Jewish learning
- to positively nourish the growing Jewish identities of our children
- to encourage students to perform *Mitzvot* (commandments/good deeds) and *G'milut Hasadim* (acts of loving kindness) and integrate them into their daily lives
- to celebrate Shabbat, Jewish holidays and learn the history and roots of the Jewish people
- to become acquainted and comfortable with Jewish life cycle events
- to learn the Hebrew alphabet and read, comprehend, and write in Hebrew as well as gain the ability to navigate and master the Jewish prayer book

Student Guidelines

1. Please put on a *Kippah* (yarmulke) when you enter the synagogue.
2. Please come to class on time.
3. In Judaism, we have a custom of giving *Tzedakah* (charity) for those who are less fortunate. Please bring money (as little or as much as you are able to give) to put in to the classroom *Tzedakah* box each week. As a school, we will have an ongoing *Tzedakah* project to decide where our raised money will be donated.
4. Please remember that CAS is a house of God, and we should dress appropriately and act respectfully at all times.
5. Please exercise *Derekh Eretz* by being polite to everyone around you at all times.
6. Please make sure to complete the brief homework assignments given by religious school teachers each week.
7. No pushing, shoving or running in the building.
8. We will provide snack each Sunday during *Hafsakah* (break) at religious school. Please do not bring food into the building.
9. If you are absent, please speak with your teacher to make up what you missed.
10. You are expected to attend at least 70% of religious school sessions.
11. You are expected to attend at least two Shabbat services (evening and/or morning) per month as well as special religious school Shabbat programs. During the year before you become a Bar/Bat Mitzvah, we highly recommend that you attend Shabbat services (evening and morning) as often as possible so that we can invite you to lead parts of the service and become comfortable with being on the *Bima*. We want you to feel relaxed and confident on your big day. Please remember to always dress and act appropriately.
12. You are expected to participate in *Tefillot* (prayer) each Sunday morning at 10:30am in the Chapel. Each class will be assigned to lead parts of this fun and musical service.
13. At the end of religious school, you may come to Cantor Abrams Kaikov's office (with your teacher) and tell her something that you learned that day and she will give you a piece of candy.
14. Be sure to read the synagogue newsletter. In each edition, you will have the chance to answer a fun Jewish trivia question. If you know the answer, you may tell Cantor Abrams Kaikov for a prize.
15. Throughout the school year, we will have fun celebrations to recognize classes with best attendance and academic achievement.
16. At the end of religious school each Sunday, please follow your teacher's instructions and leave the classroom all together. Your teacher will wait with you until you have been picked up.
17. HAVE FUN!!!!!!

We will decide as a school where to donate the money we have raised.

CAS Immunization Requirements and Health Standards

Dear CAS Religious School Families,

I hope that your new year is off to a wonderful start. As you know, safety is always our top priority at the CAS Religious School. I kindly ask that all families please submit immunization records in accordance with the Texas state minimum requirements to the synagogue office in hard copy or via email no later than **Sunday, September 17th, 2017 at 9:30am**. In the event that we do not receive these records by then, your child(ren) will not be permitted to attend class and will be sent home until these records have been submitted.

Additionally, in order to protect all children and teachers in our school, your child should stay home if he/she exhibits any of the following symptoms, and may not return to school for 24 hours after becoming symptom free:

- Oral temperature of 99 degrees, within previous 24 hours
- Intestinal disturbance, accompanied by diarrhea or vomiting within the previous 24 hours
- Any diagnosed rash
- Sore or discharge from eyes or ears
- Profuse, thick, or colored nasal discharge
- Impetigo, conjunctivitis, diarrhea, contagious diseases (e.g. chicken pox, sore throat with fever, head lice, unknown rash)
- Illness that prevents child from participating comfortably in school activities
- Illness that results in a greater need for care than the staff can provide without compromising the health, safety, and supervision of the other students.

If your child develops any of the above symptoms while at school, we will isolate him/her and you will be contacted to pick up your child as soon as possible.

If a child contracts a contagious disease, the school office must be notified immediately. After any serious or communicative illness, parents are required to bring a re-admitting slip from the child's physician that indicates that the child is ready for normal activity. Any infectious disease, or infestation, must be reported to the school office so that we may take the necessary precautions and inform parents as dictated by state guidelines.

Should your child require medication while at school, the staff will only be able to administer medication if the medicine is accompanied by a signed authorization. The medication must be brought to the school office in the original prescription bottle where it will be kept in a safety cabinet. Please do not send medicine in your child's backpack for the child to administer him/herself.

For your convenience, I have provided a link to the Texas Minimum Vaccination Requirements which is also in line with FWISD requirements:

Drop-Off and Dismissal Procedure

At the CAS Religious School, safety is our highest priority. We **DO NOT** want children running across the parking lot at any time. Please make sure to deliver and pick up your children at the South Entrance of the building (the pre-school entrance), so that we may welcome and dismiss children at the curb in a safe and orderly fashion.

At the conclusion of religious school, we kindly request that you form a line of cars at the curb in order to pick up your child(ren). Teachers will walk out to the curb with students after religious school and wait until each child has been picked up.

Thank you for your cooperation!

Justice, Justice Shall You Pursue

The Starfish Story

By Peter Straube

Once upon a time, there was an old man who used to go to the ocean to do his writing. He had a habit of walking on the beach every morning before he began his work. Early one morning, he was walking along the shore after a big storm had passed and found the vast beach littered with starfish as far as the eye could see, stretching in both directions.

Off in the distance, the old man noticed a small boy approaching. As the boy walked, he paused every so often and as he drew closer, the man could see that he was occasionally bending down to pick up an object and throw it into the sea. The boy came closer still and the man called out, "Good morning! May I ask what it is that you are doing?"

The young boy paused, looked up, and replied "Throwing starfish into the ocean. The tide has washed them up onto the beach and they can't return to the sea by themselves," the youth replied. "When the sun gets high, they will die, unless I throw them back into the water."

The old man replied, "But there must be tens of thousands of starfish on this beach. I'm afraid you won't really be able to make much of a difference."

The boy bent down, picked up yet another starfish and threw it as far as he could into the ocean. Then he turned, smiled and said, "It made a difference to that one!"

We all have the opportunity to create positive change in the world we live in. At the CAS Religious School, we will direct our attention this year and every year towards serving as "dugmaot" or "role models" by doing good and changing the world for the better, one "starfish" at a time.
