FROM OUR RABBI

During this month, Israel will mark both Yom HaZikaron (Memorial Day for Fallen Soldiers) and Yom Ha'Atzmaut (Israel Independence Day). One is deeply tied to the other. Without the service and sacrifice of those who served and died defending Israel there would be no Independence Day.

This year marks the 71st birthday of the founding of the State of Israel. One of the most important days in the past 71 years was when the Kotel (Western Wall) returned back into the hands of Israel and the Jewish People during the 6 Day War in 1967. Praying at the Kotel is truly an inspirational experience and I hope that one day all of us will have the opportunity to let our thoughts and prayers rise to heaven as we pray at the site of the ancient Temple.

Upon the retaking of the Kotel, then Chief Rabbi of the IDF, Rabbi Shlomo Goren, gave one of the most inspirational short speeches in all of Israel's history. Goren's words are below:

"In honor of the liberation of the Old City, the Kotel, and the Temple Mount from the enemy legions on 28 Iyar, 5727 on the Jewish calendar. Israeli soldiers, beloved of the nation, decorated with courage and victory, may God be with you, valiant heroes. I am speaking to you from the plaza of the Kotel, the remnant of our Holy Temple. 'Comfort My people, comfort them, says your God' (Isaiah 40:1). This is the day we have waited for . . . The city of God, the place of the Temple, the Temple Mount and the Kotel, the symbol of the messianic redemption of the nation, have been redeemed this day by you, heroes of the Israel Defense Forces. Today you have fulfilled the oath of the generations— If I forget you, O Jerusalem, may my right hand forget its cunning. Indeed, we have not forgotten you, Jerusalem, our holy city, home of our glory, and your right hand, the right hand of God, has made this historic redemption . . . "

"Blessed are You, O Lord, our God, King of the universe, who hast kept us in life and has preserved us, and has enabled us to reach this season." (From Rabbi Shlomo Goren, *With Might and Strength: An Autobiography* (New York, 2016), 326-327).

There is not much I can add to the beautiful and moving words of Rabbi Goren, however, I would like us to remember the fallen on Yom Hazikaron alongside our celebrations that "Jerusalem is in our hands" and that "Am Yisrael Chai!"

May Jerusalem always remain in our hearts, minds and souls as well as in our control and May God bless the State of Israel, today on her 71st birthday and forevermore!

B'shalom and Friendship,

Rabbi Andrew Bloom

FROM OUR EXECUTIVE DIRECTOR

The crumbs of matzo have finally been swept away. The Passover Seders seem to blend together, but each year, there is always something that I can add to the deepening memory bank. The memories stored from childhood experiences, seem to work their way to the surface during the week. How nice it was to be reminded of

those images from so many years past. So much that we do is based on tradition, the way of doing something, and each of us can perform the same act in a different manner, and still accomplish the task. How do you manage to remember the plagues, do you allow a drop of wine to be poured from your glass, or do you permit the wine to fall from a finger, and if so, which one, or do you gently use a spoon? The goal is to have a droplet of wine symbolize each plague; and somehow we are all successful.

Now we can look forward to a number of occurrences and happenings in our sacred community. We have "The Three Days", Yom Hashoah, Yom Hazikaron and Yom Ha'atzma'ut. Check your announcements for the activities that are planned, and I do hope you participate. Note too, the service conducted by the Jewish War Veterans at our Cemetery on May 26th. We honor those that served in the armed forces, and those that had given their lives in the services of our country. Regardless of your political affiliation, Memorial Day was established as a day of remembrance. Yes, at one time we referred to this day as Decoration Day and in many communities, families will be visiting deceased relatives, continuing a tradition of keeping memories and souls alive. If you are inclined, ask me about my father and what he did as an officer during World War II.

We have many traditions, and for most, Memorial Day weekend signals the end of the school year and the beginning of summer. The life and heartbeat of a synagogue continues with little change. We will have services every morning and evening, Shabbat begins Friday evening and we have Services on Saturday followed by a Kiddush. As some of our members do manage a summer vacation, we will need your assistance at services to be certain that we do have a minyan and that those that wish to say Kaddish for a loved one, are able. Be part of our family, be ready to establish or continue a tradition, and be ready to do something for another, be a mensch.

Michael Linn

PRESIDENT'S DESK

Sholom. Spring is here; the best season in North Texas. My best wishes to you and your loved ones. A few important updates.

The Annual Meeting is Sunday, June 2 at 4:00 pm. Please add this date to your calendars. In addition to voting for new Board members and Officers (see below), we will consider many important changes to the By-Laws and provide information on construction / renovation plans (see below). The proposed by-law changes follow two major themes: (1) improved operational efficiency, and, (2) improved descriptions for Board and Committee members and Committees. Most of the proposals have already been reviewed and endorsed by the Board. The next step is approval by the Congregation.

Nominations for new Officers and Board members have been announced. I want to thank the Nominating Committee for their thoughtful choices and all those who have accepted the nominations. If elected, we will have many new people at the table to help guide us to a successful future. While I am excited to see new faces, I am sad that many individuals who have contributed their time to CAS for many years will be leaving the Board. I encourage all those who want to volunteer their services to seek roles on our standing committees and look for ad hoc opportunities. In particular, we will need help on our Programming, Membership and Fund Raising Committees.

Regarding the Building project, for the last several months I have been meeting with Board members and other individuals on this important topic. We have been discussing our long term goals as a congregation, the needs of our members and our finances. The input received from congregants in 2017 and 2018 is an important element. These are tough issues and we want to make the right decisions. We want a future building that services our needs for the next 30 years. Your patience is appreciated. More news very soon.

As always, your ideas and questions are welcome. Let me hear from you.

EXCITING UPCOMING EVENTS

Zachary Evan Azerad Bar Mitzvah

Zachary Evan Azerad will be called to the Torah on May 18, Parshat Emor, 2019. He is the son of Dr. Elizabeth Perez Azerad, MD and Mr. Robert Azerad.

Zachary is a 7th grader at The Hill School in Fort

Worth where he is on the Track and Field team. He is a 2nd degree Tae Kwon Do Black Belt as well as an avid archer.

Zachary has chosen to raise funds to help at least one student complete the Davis Dyslexia Correction Program. This program helped him move from the 1st to the 47th percentile in reading in just 18 months!

Congregants wishing to contribute to his service project can go to gofundme.com/zachary039s-bar-mitzvah-service-project or search Zachary Bar Mitzvah Service Project at GoFundMe.com

The Azerad family invites congregants to join in a Kiddush luncheon following services on May 18, 2019.

Dr. Julian Haber will soon begin work on Volume 3 of *They Were Soldiers in Peace and War*. These are his areas of focus:

- ◆ Veterans who were not covered in Vol. 1 or 2. Even a relative's interesting experiences in the military from WWII and onward, and/or pictures would also be helpful as would soldiers currently serving.
- ◆ Allied veterans: Israel, England, France, etc, - Dr. Haber is looking for Jewish persons that served in the old Soviet Union Army for a prospective of how they were treated as a Jewish person in the armed forces.
- ◆ An additional section will be letters to the home front for the time period of WWI forward.
- ◆ All these veterans may have served in peacetime or in war.

Please contact Dr. Haber, or call the shul office at 817-731-4721.
